### Sectary Compartmentalization

Seasonal confinement owns no comfort to sectary beliefs. Unformed militias still struggle, trappers skin feral souls, wildlife muffle growls. Urban life equalize gun-formats, rationalize cruelty, distress analogue threats. Vanquished portraiture promotes diligence over industrial unrest.

Collar Enslavement and discrete identifiers flatten wild freedom, no fruitful format of progress.

Off-grid equilibrium crucifies continental garments habits, unseen climate conditions, deformed normalcy and sectary beliefs now should act as a mandatory research.

Cajun Trappers, Constitutional Sects, FREECOG Sobers are assumed violent social pockets of activity, self closure and close-knitted personal bonding with no set belief system, a suspended brooding of values, bestiality and survival.

Their terrains experiences is un-sampled, heat, mud, humidity.

Urban life and petty working-life merges with sociopath routing job-duties. SS21 computes private format of normalcy belonging to outcasted close knitted-communities removed from continental canons.

A serialized representation, a set of auto-portraits of assumed violence.
